## **Holland: Living with Water** Art de Vos

The waterways and canals for which Holland is famous are explored in this fascinating look at the enormous influence water has on a nation and its people. Stunning color photographs illustrate the inextricable relationship the Dutch have with their surroundings, including water's effect on their daily life, how water has shaped the nation's singular identity, the heated political debates about its containment, and their struggle with water and its continual efforts to reclaim the land.
